ROCKOFPC.COM/STUDENTS

We LOVE JESUS. We LOVE OTHERS.

We LEAD OTHERS to love Jesus together.

We help each other to GROW in their faith.

We challenge each other to DISCOVER their ministry.

We HONOR God by honoring our parents and authority figures.

### In Our House

We are REAL. We say I'm sorry. No one sits alone. We don't give up on each other. We say what we are for. Our words are kind. We are grateful. We do hard things for Jesus. We like to party. We leave things better than we find them. We never give up. We keep our promises. We forgive even when it's hard. We dream BIG.  
We Build His Kingdom.

## 2021 August to December schedule at a glance...

\*Date Subject to change

## Student Savings Account

We keep track of each student’s individual youth account. They can make deposits at any time in order to pay for special events, DNOW, camp, or even a foreign mission trip. When a student graduates they can disperse their funds into a siblings’ account or an incoming student’s account to help get them a jump start financially.

We know that costs are high especially with teenagers. One great way for students to raise money is to always participate in any fundraiser we have. We expect students to come ready to work having a great attitude and willing and able to do whatever needs to get done.
