

MONDAY
APRIL 4

Ask God to draw the 3 to Christ through the Holy Spirit.
- John 6:44

Ask God to help me discern if I am planting, watering or harvesting. - 1 Corinthians 3:6-7

DAY 8: BLESSED TO BE A BLESSING
WEEK 2: COMMUNITY REVIVAL

When God blesses us, he always intends it to be passed on to others. God's reviving work in our hearts is meant for our community. Today we will look at a foundational example of this as we study God's promise to both bless Abram and bless the world through Abram. As God revives our hearts personally, he wants to use us to bring revival to our community. We are blessed by God to be a blessing to our world.

Scripture: Genesis 12:1-5

Devotion

As we saw last week, God has chosen to use people to achieve his purposes. I am not sure why. It seems to me that God could do a better job by himself, but this is not his way. He loves to include us and give us a place in his powerful work of blessing.

Adam and Eve were God's original choice to represent him to the world, but when they failed by wanting to displace him, God looked for another family through whom he could share his blessings with the world. He eventually settled on Abram and his descendants. They were not outstanding in any way. But that is the way God likes it. He takes ordinary people who trust him and rely on him and uses them to bless.

This Scripture focuses on the way God is going to bless Abram. He would be the father of a great nation. Which is interesting because at the time had had no children at all and would not actually have a child through his wife until he was 99. He would possess a new land.

Which is interesting because at the time he was a nomad. And he would build a huge reputation. Which is interesting because at the time he was a nobody. Of course, from our vantage point, we can see how all these promises were fulfilled by God through Abram's family, Israel, and Abram's descendant, Jesus. Abram/Abraham is still a household name throughout the world over 4000 years later.

But the point of God's promise in this Scripture is not just the impossible and undeserved blessing that would eventually come to God's representative Abram and his family, but the fact that it was God's intention that the whole world would be blessed through Abram. "All peoples on earth" God says. This is the way God works. He blesses his people because he loves us, but the blessing is not just for us but for everyone - our friends, our family, our neighbours, our community. We are blessed so that we will be a blessing to our world.

As our spiritual lives are revived and God's incredible love for us flows into our hearts, God's intention is that we will bless others. This involves serving others of course, but it also includes praying for spiritual revival for those around us. For those who are close to God and those who are a long way off. That they might be filled "to the measure of all the fullness of God" (Eph. 3:19).

Prayer Response

Lord I thank you for what you are doing in my life. Drawing me closer to your heart. Lavishing me with your love. Reviving my trust in you and passion for you. But this is not just for me. May your grace work in my life influence those around me. May your presence in me be obvious to them. May you work in power in those I love and in those I struggle with. Please Lord revive the spiritually lukewarm and dead in my community.

Prayer for Revival

Lord, please bring a new hunger for you to our church and community. We are a broken and rebellious people, but you love us deeply. Forgive our apathy and draw our hearts to you. Bring your revival.
